

Vo Thanh Dat

Frontend Intern | React.js, TypeScript, Tailwind CSS

Can Tho | thanh.dat.cv05@example.com | github.com/dat-react-intern

PROFESSIONAL SUMMARY

Frontend intern with 6 months of experience using React.js, TypeScript, Tailwind CSS, and REST API integration. Skills are relevant to the JD, but professional experience is short and mostly supervised.

SKILLS

- React.js, TypeScript, JavaScript, HTML/CSS
- Tailwind CSS, Bootstrap, responsive layouts
- Basic REST API integration, form validation, Git
- Introductory Chart.js practice

EXPERIENCE

Frontend Intern - MenuAI Labs, 01/2026 - 06/2026

- Built reusable React components for upload forms, cards, and simple dashboards.
- Integrated REST APIs for menu analysis results under mentor review.
- Implemented responsive UI pages with Tailwind CSS and Bootstrap.
- Wrote small fixes for layout bugs and accessibility labels.

PROJECTS

- Restaurant Menu Dashboard - React, TypeScript, Chart.js mock data, Tailwind CSS.
- Weather App - REST API, responsive card UI, error handling.

EDUCATION

B.S. in Information Technology - Expected 2026
