Pham Minh Khoa

Frontend Developer | React.js, TypeScript, API Integration

khoa.cv13b@example.com | github.com/equal-profile-a

PROFESSIONAL SUMMARY

Frontend developer with relevant experience in React.js, TypeScript, REST API integration, responsive UI, Tailwind CSS, Bootstrap, and Chart.js dashboards. Professional content is intentionally identical to CV-14 except personal demographic fields.

TECHNICAL SKILLS

- React.js, TypeScript, JavaScript, HTML/CSS
- REST API integration, JWT authentication, form validation
- Tailwind CSS, Bootstrap, responsive and cross-browser UI
- Chart.js dashboard cards, Git, Slack collaboration

WORK EXPERIENCE

Frontend Developer - EqualTech Software, 2023 - Present

- Built React.js and TypeScript interfaces for customer dashboard, billing pages, and report filters.
- Integrated REST APIs for transactions, user profile, dashboard metrics, and notification settings.
- Implemented responsive layouts with Tailwind CSS and fixed cross-browser display issues.
- Created Chart.js visual components for monthly revenue, category comparison, and status breakdown.

PROJECTS

- Customer Dashboard - React.js, TypeScript, REST API, Chart.js, Tailwind CSS.
- Admin Settings UI - Bootstrap, form validation, responsive layout.

EDUCATION

B.S. in Software Engineering - 2022
