

Ho Sy Tuan

Senior Frontend Developer / Fresher Frontend Candidate

sy.tuan.cv18@example.com | github.com/conflict-cv

PROFESSIONAL SUMMARY

Contradictory profile: states 0 years of professional experience and also claims 5 years as a Senior Frontend Developer. The evaluation should handle inconsistent evidence carefully.

PROFILE CLAIMS

- Total work experience: 0 years.
- Also claims: Senior Frontend Developer with 5 years of experience.
- Graduated in 2026 but lists senior full-time employment from 2021.

SKILLS

- React.js, TypeScript, Vue.js, REST API, Chart.js, Tailwind CSS
- However: skill level not supported by consistent dates or project details

EXPERIENCE

Senior Frontend Developer - Alpha Dashboard, 2021 - 2026

- Built enterprise financial dashboards with React.js and TypeScript.
- Led frontend team of 6 engineers and optimized API-driven UI performance.

Frontend Intern - Alpha Dashboard, 01/2026 - 06/2026

- First internship experience; learned HTML, CSS, and React basics.

EDUCATION

B.S. in Computer Science - Expected 2026
